# TeleMiracle 45 Souvenirs

Kinsmen Foundation Inc.

## Purchasing Souvenirs During COVID-19 Pandemic.

### Summary:

- \* Ordering
- \* Sizing charts
- \* Photos
- \* Prices

COVID-19 has had an impact on basically every aspect of souvenirs this year. From the selection process, to the ordering timelines, to delivery, to unpacking the souvenirs in our warehouse, etc.

It has also collided with other important tasks, such as the bear shipments, which had to be delayed due to the pandemic. Our staff is doing their very best to get caught up, but, we all must keep in mind that this has been a very unusual year and will continue to be. We should expect that, this year, very little, if anything, will be done the way it has always been done.

We ask for your patience and understanding as procedures need to be adapted and things may take a little longer than they have in the past. We

thank you for your anticipated cooperation.

In order to reduce the risk of spreading the coronavirus, The Kinsmen Foundation office remains locked, with entry being granted by appointment only.

We ask that visits to the office be kept to the absolute minimum. Any visitors to the office will be asked to put on a mask and sanitize their hands before entering the office.

Should you wish to order souvenirs, here are your options:

Start by getting an order form. You can contact Diane at the Foundation office to request one. She can be reached at [kin.diane@telemiracle.com](mailto:kin.diane@telemiracle.com)

or 306-244-6400 ext. 4 in Saskatoon or 1-877-777-8979 ext. 4 toll free. She can send you the Excel spreadsheet with the calculations already built in.

Option 1: submit your form to Diane with a credit card number or cheque and have your order shipped to you (shipping fees will be extra).

Option 2: submit your form to Diane with a credit card number or cheque and make arrangements to pick up your order at the office.

Trying on items will not be permitted this year, which is why we have included sizing charts.

Quantities are limited and re-orders may take longer to come in, so don't wait till the last minute to place your order.

Thank you!

## How to Measure

**CHEST:** Measure just under the arms, across fullest part of chest, around shoulder blades holding tape firm and level.

**WAIST:** Measure your natural waistline, keeping one finger between the tape and the waist.

**HIP:** Stand and measure around the fullest point of hips.

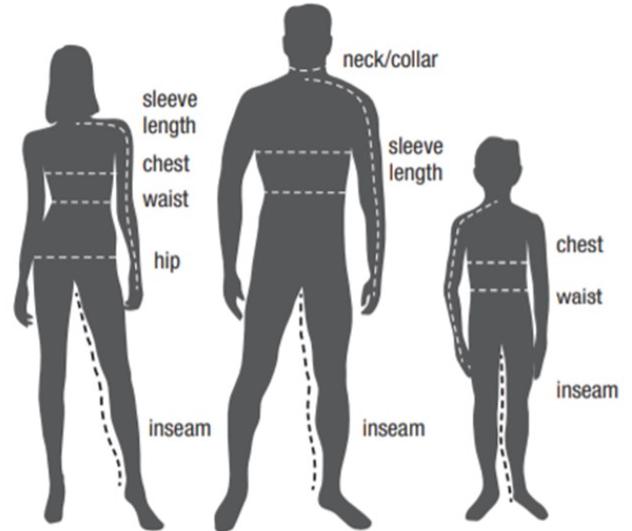

**SLEEVE LENGTH:** With arm relaxed at side and slightly bent, measure from center back neck, over the shoulder, down to the outer wrist.

**INSEAM:** Stand and measure from center crotch to bottom of ankle bone. (Please refer to specific style for garment inseam length.)

**UNISEX:** Men's medium is similar to ladies' large. Sleeve length will be about 1-1½" longer. Body of garment is not form fitting. Unisex medium is equivalent to men's medium through chest and sleeve length.

### TALL SIZES:

Men's garments have added length in the body and sleeves. Short-sleeves are 1" longer, long-sleeves and body length are 2" longer.

### Logo – Behind the Scenes

The TeleMiracle 45 logo represents family.

Many people's memories of TeleMiracle involve coming together as a family and staying up late to watch the broadcast on t.v.

This tradition has been a staple in Saskatchewan since 1977.

The logo's colours are for Saskatchewan, the dials are little provinces, the model of the TV is a throwback to 1977, the year of the first TeleMiracle.

The dog in the picture (and this year's stuffie) is a French Bulldog, to represent the Chairperson's fur baby.

This logo ended up being quite prophetic. Due to the pandemic, there will be no audience watching the broadcast in person this year, so, more people will be sitting on the couch, staying up late to watch TeleMiracle.
