

Brad Johner

Brad has been a staple on the Canadian country music scene for 35 years. Despite multiple Western Canadian Music Awards, several Juno nominations, 3 Canadian Country Music Awards and an unprecedented 80 Saskatchewan Country Music Awards, Brad remains a devoted husband, father and grandfather to his wife of 30 years, his five sons and his two grandchildren. Most recently he is back out touring with his brother Ken (The Johner Brothers) and three of his sons, Luc (keys), Matt (drums) and Aidan (bass) and maintains a constant touring schedule. The Johner Brothers are considered, in the industry, professional and true gentlemen of the stage.
